2021 Stewardship Commitment

When we face challenges, God is there. When we are apart, God is present. When we struggle to make sense of the world, God is our refuge and our strength.

God is in the faces of family members we greet online from afar, and those we spend more time with than we ever thought possible. God is in the waves of neighbors walking past wearing masks. God shines through our screens every Sunday when our pastors and musicians inspire us to worship together in new and amazing ways.

As we enter a season of planning for 2021, and pledging to God a portion of our gifts, let us reflect with wonder and awe on God's abundant blessings.

As a commitment to the valued mission and programs of Bradley Hills Presbyterian Church, I/We will contribute \$ _____ for 2021.

You can see your 2020 pledge and 2020 giving in Realm.
