

Virtual Worship Tools & Tips

Online Services on Sundays at 10:30 a.m. (program year) | 10:00 a.m. (summer)

Whether you're half a world away, on the go, recovering from illness, or just unable to be here, BHPC works to provide an interactive online service for our virtual congregation.

Where Do I Go to Worship Online? We offer our traditional services online during the program year and our only service during the summer through our website. You can access the "Watch" button on any page of our website in the upper right corner that will take you to our "Watch Page" during the designated service times above.

What If I Can't Worship Until After the Service has Ended? No worries! All of our services are recorded and posted directly to our website. Go to the Previous Sermons page on our website and select the service you would like to watch. You can also subscribe to [our YouTube channel @bradleyhillspresbyterian6885](https://www.youtube.com/channel/UCbradleyhillspresbyterian6885) and watch both recorded worship services, memorial services, and our Adult Education classes.

What is a "Watch Page?" Our new "Watch Page" is an experience that we have uniquely tailored to the needs of BHPC's virtual congregation. It allows those who are watching online to immerse themselves into a worship experience by allowing individuals to connect with the rest of the community. Our new features include:

- **Chat Function:** You can now talk with each other on the worship page with other congregants through the new chat function. Just click on the chat icon in the lower right corner and add to the conversation—greet each other before worship begins, start a dialog about the sermon, pass the peace of Christ, and more.
- **Prayer Requests:** The "Prayer Request" button on the right side of the video will allow our congregants to submit prayer requests in real time during the Celebrations & Concerns portion of the service. Prayer Requests marked public on this pop-up form will be read aloud by Pastor David & Pastor Denise during the service. Any public prayer requests received after Celebrations & Concerns will be posted in the following week's bulletin.
- **Direct Access to Previous Services:** Interested in watching or rewatching services from previous Sundays? Feel free to visit our "Previous Sermons" page. There is a direct link to the "Previous Sermons" page right above the video on the "Watch Page."

Celebrate Communion with Us at Home

We invite you to participate in Communion even if you're watching online.

Gather some bread and juice, or things that are similar and appropriate in your home. Perhaps light a candle on a table near you.

Open your heart as we celebrate the gifts of God given for all.
