2025

# Stewardship Commitment

As we enter a season of planning for 2025, and pledging to God a portion of our gifts, let us reflect with joy on God’s abundant blessings.

We give because we are grateful for all that we have and especially for our church which enables us to grow, connect and serve together.

***As a commitment to the valued mission and programs of Bradley Hills Presbyterian Church,***  
I/We pledge to contribute \$ \_\_\_\_\_ for 2025.  
You can see your 2024 pledge and 2024 giving in Realm.  
(Please tear off this portion and retain for your records.)
